Invitation: Come to the garden and learn how Jesus blessed the children, journey into the wilderness for prayer, walk the road as the Good Samaritan, and meet us at the lake to chat with the fishermen.

Spiritual Practices: Join us as we connect to Spirit through affirming words, the frequency of nature, a vibrational sound journey, and the energy of water.

Expressions: Let creative energies flow as we craft a keepsake banner, make art from nature, create a self-care book, and design a frame for our community photo.

Community Joy: Have fun connecting with our community through games including outdoor foam play and an indoor swim party! Yummy snacks will be served!
